

THE PSYCHOLOGY ASSOCIATION OF SASKATCHEWAN INVITES YOU TO
ATTEND THE SPRING 2018 CONFERENCE

WE ARE PLEASED TO PRESENT:

**Trauma and PTSD research and treatment:
A standardized two day intensive workshop for
researchers and clinicians with Dr. Mark Powers**

Dr. Powers is the Director of Trauma Research at Baylor Scott & White running federally funded projects (NIH & DoD) at two Level I Trauma Centers including Baylor University Medical Center in Dallas and Scott & White Medical Center in Temple. His work includes over 120 peer reviewed publications. Dr. Powers was certified in prolonged exposure therapy (PE) for PTSD and Exposure with Ritual Prevention (EX/RP) for OCD at the Center for the Treatment and Study of Anxiety (CTSA) with Dr. Edna Foa, and he was a

Beck Scholar at the Beck Institute for Cognitive Therapy and Research. He is currently the Chair of the APA Division 12 Presidential Task Force on Empirically Supported Treatment Dissemination and a member of the Scientific Council at the Anxiety and Depression Association of America. He conducts international workshops in EX/RP for OCD and PE for PTSD.
