Marketing and Referral Network

We have a professional online presence, a well-developed referral plan, and a large network of professional referral sources.

Full Administrative Support

Our administrative team provides full service client care and administrative support for our clinicians.

Strong Team Culture

We facilitate professional development opportunities, regular clinical consultation with peers, retreats and social events to promote strong team connections.

Relocation Assistance

Clinicians interested in relocating to join our practice will receive assistance with relocation expenses, securing suitable housing, establishing a client caseload, and related relocation-related matters as needed.

Requirements:

- Registered Psychologist (PhD level) and eligible for registration with the College of Psychologists of BC.
- Experience working with children, adolescents and families.
- Enjoy working in a team environment.
- Proficiency in a range of therapeutic approaches (e.g. attachment-oriented, psychodynamic, CBT, DBT).
- Training and experience in psychoeducational and diagnostic assessments an asset.

About The Wishing Star
